ARCHITECTURAL SPECIFICATION / BOQ

Supply and install D200P Dual Rail as an ideal solution for where both a handrail and wall guard are required as a combined system, designed to meet the specific needs of healthcare environments where pedestrian support is required in addition to protection against impact from wheeled traffic, comprising a PVC-u handrail and a PVC-u wall guard with all PVC-u covers and accessories nonreflective, through coloured and textured to conceal the effects of impacts and abrasion, a wide choice of colours offers the flexibility to contrast the wall guard from the handrail and the handrail from the wall, the handrail element should be selected in a contrasting colour to the wall finish to aid movement around a building for visually impaired people, available in 32 colours, available from Polyflor (011) 609 3500.
